

Montessori Newsletter -March-2021

K-1 SCIENCE FAIR

FRIDAY MARCH 26, 2021

Our K-1 Class will be working on their science projects in the month of March. Since parents cannot attend, Ms. Nayna will video tape each child and send it to their parents.

Along with our regular Primary Montessori curriculum, we will also be studying about: **Alexander Graham Bell.**

There will be an **Egg Hunt Exchange** on Friday April 2, 2021. Parents, please send (6) plastic eggs in a small basket, filled with any edible or non-edible treats with your child by Monday morning March 29, for the Egg Hunt Exchange.

SPRING BREAK COMING UP IN APRIL

APRIL 5 – APRIL 9 (M-F)

Parents, please mark your calendars.
